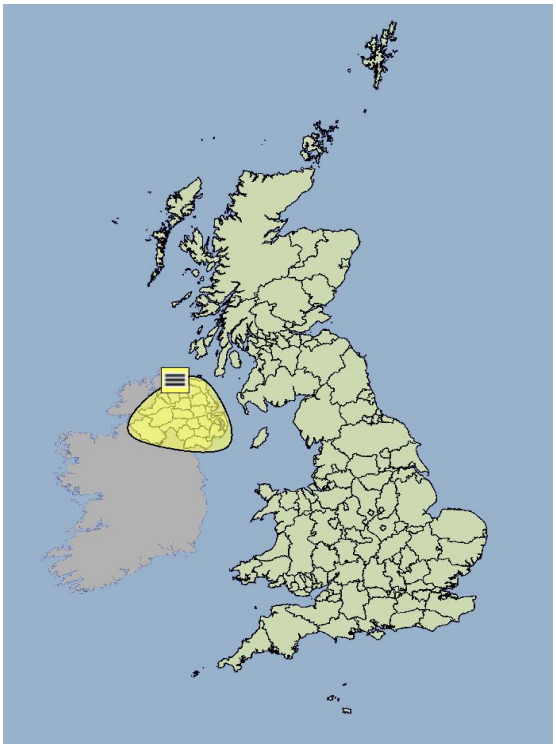
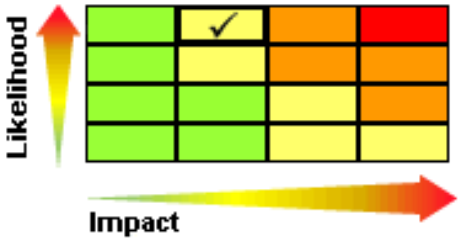
National Severe Weather Warning Service





Chief Forecasters Assessment
Fog will persist in some parts of Northern Ireland during Wednesday afternoon, thickening up towards dusk with the visibility falling below 100 metres in places. Although it may thin out again in places overnight, some areas could remain foggy until well into Thursday.

The Met Office have issued a **Yellow Warning** of **Fog**

Valid from **15:00 on Wed, 10th Jan 2018** until **11:00 on Thu, 11th Jan 2018**

Fog will affect much of Northern Ireland.

Slower journey times with delays to bus services are possible and there is a chance of delays or cancellations to flights.
